

Permission To Erect Scaffolding

To: (The Adjacent Owner/s)

I/We (The Building Owner/s)

Of: (The B/Os Address)

Hereby request your permission to use the shared alley between our two properties at the addresses above for the purpose of erecting scaffolding during the loft conversion of my property.

The scaffolding will be in place for approximately 5 weeks (dates to be confirmed) and will be removed as soon as the work is completed. I will ensure that the area is kept clean and tidy at all times and that any disruption to you is kept to a minimum.

I would be grateful if you could confirm your agreement to this request by signing and returning page two of this document.

Thank you for your cooperation.
